World Congress of Gastroenterology
21-24 September 2019
Istanbul Congress Center, Istanbul
Dear Colleagues,

We would like invite and encourage you to attend World Congress of Gastroenterology where the continents meet in Istanbul, in 21-24 September, 2019. This meeting will be organized with World Gastroenterology Organisation and Turkish Society of Gastroenterology.

Istanbul, the only city in the world built on two continents, has a strategic setting forming the city's destiny as an imperial capital for nearly 1600 years, for Roman, Byzantine and Ottoman Empires. This metropolis proud of its rich history and unequalled natural beauty offers a friendly welcome and genuine hospitality. It will be hard to imagine a more historic part of the world as a focal point for the meetings and congresses in Istanbul. Seated on the Bosphorus, some of the most fascinating history will unfold before your eyes, as you visit this magnificent city.

Recent years have seen dramatic developments in the clinical investigation of digestive function. In relation with those developments, WGO-TSG Istanbul 2019 Meeting will include keynote presentations, oral presentations, poster presentations, and exhibitions.

We look forward to welcoming you at this excellent meeting in 2019. Yours sincerely.

Serhat Bor  
President, TSG  
Co-Chair, 2019 Joint Steering Committee

Cihan Yurdaydın

ABOUT ISTANBUL
The former capital of three successive empires Roman, Byzantine and Ottoman- the city is a fascinating mixture of the past and present, old and new, modern and traditional. The museums, churches, palaces, mosques and bazaars, and the sights of natural beauty seem inexhaustible. As you recline on the shores of the Bosphorus at the sunset contemplating the red evening light reflected in the windows and slender minarets on the opposite shore you understand, suddenly and profoundly, why so many centuries ago settlers chose to build on this remarkable site. In addition to its unique historical and cultural background and innumerable attractions, modern hotels, exclusive restaurants, nightclubs, cabarets, bazzars and shops make Istanbul a superb site for meetings, conferences and conventions.

Experience the exciting mixture that is Istanbul, a city where East meets West, the bridge between Europe and Asia, a thriving metropolis of millions of people-exotic yet distinctly western.
