Are you one of the 80% of women who experience digestive discomfort*?

Don’t accept it as normal – it is time to start loving your tummy!

Love Your Tummy is a global educational campaign from the World Gastroenterology Organisation (WGO) supported by Danone to increase awareness, understanding and management of GI discomfort and digestive wellbeing.

For more information and tips on your digestive wellbeing, please visit www.loveyourtummy.org

*U&A data survey of 9004 women worldwide, TNS 2010 for Danone.
