The 16th Conference of the Jordanian Society of Gastroenterology and Hepatology

The Ninth Congress of the African Middle East Association of Gastroenterology

African, Middle East, Jordanian Congress of
Gastroenterology

AMAGE /JSGH 2020

1-3 April 2020
Landmark Amman Hotel and Conference Center
Amman-Jordan
Dear Colleagues,

I am honored and delighted to welcome you to attend the 16th congress of the Jordanian society of gastroenterology and hepatology (JSGH) in conjunction with the ninth congress of the African Middle East association of gastroenterology (AMEGE). The joint JSGH/AMEGE congress will include rich educational program highlighting recent advances and developments in the field of gastroenterology and hepatology.

The congress will feature highly renowned faculty of international, regional, and local speakers over three days of highly organized scientific and networking events.

The congress will be held between April 1-3, 2020 at the Landmark hotel in the beautiful city of Amman. It will be a great opportunity to all our colleagues and guests to enjoy Amman and its ancient archeological sites. Also, it will be a great advantage for our guests to visit the breath taking nearby cities of Petra, Jarash, and dead sea, among others.

We look forward to welcome you in Amman for a rich and exciting meeting.

Yours sincerely,

Prof. Yousef Ajlouni
JSGH President
Co-presidents of AMAGE / JSGH congress 2020

Dear Colleagues,

It is my pleasure to invite you to the AMAGE 9th Congress that will be held Joint with the 16th Conference of the Jordanian Society of Gastroenterology and Hepatology (JSGH) that will be held in Amman from 1-3 April 2020.

We in AMAGE and in the JSGH promise you to have an updated program covering all the aspects of Gastroenterology, Hepatology and endoscopy that will be presented by high caliber faculty including Jordanian, regional and international figures over the 3 days of the Congress. This will give an excellent chance for active discussions for Hepato gastroenterology disorders in AMAGE region and highlight the new paradigms and prospects in the specialty.

I hope that AMAGE 2020 will fulfill our mission in promoting education and training in the field of Gastroenterology in Africa and the Middle East.

The 9th AMAGE Congress will be held in Amman which is one of the easiest cities in which to enjoy the Middle East experience. Amman is considered to be among the most modernized Arab cities. It is a major tourist destination in the region, particularly among Arab and European tourists.

I am looking forward to welcoming you in AMAGE 2020 in Amman.
