Course Description

Developed in 2001, the Train the Trainers (TTT) program concentrates on expanding the training skills of educators in the fields of gastroenterology, hepatology, endoscopy, and GI surgery, who are responsible for teaching, through the use of current educational techniques and philosophies. It brings together faculty and participants from across the globe in an intensive and interactive workshop, characterized by numerous hands-on sessions with ample opportunity for discussion.

Participants must be fluent in Spanish and have at least a proficient level in English.

All presentations will be presented in Spanish, along with the breakout sessions which will require active participation and/or discussion from all members of the group. Open to all WGO Member Societies and WGO Training Centers and in partnership with the Asociacion Colombiana de Gastroenterologia (ACG).

Some topics presented at this TTT Workshop will include:

- Providing Feedback
- Competency & Coaching
- Teaching at the Bedside
- Learner in Difficulty & Remediation
- Innovation & Scholarship
- Presentation Skills

Application Review
