Course partnership:

World Gastroenterology Organisation (WGO)
Saudi Gastroenterology Association (SGA)

Course Description

Developed in 2001, the Train the Trainers (TTT) program concentrates on expanding the training skills of educators in the fields of gastroenterology, hepatology, endoscopy, and GI surgery, who are responsible for teaching, through the use of current educational techniques and philosophies. It brings together faculty and participants from across the globe in an intensive and interactive workshop, characterized by numerous hands-on sessions with ample opportunity for discussion.

This course will improve your skills as an educator and leader in gastroenterology.

All presentations will require active participation and/or discussion from all members of the group. Open to all WGO Member Societies and WGO Training Centers and in partnership with the Saudi Gastroenterology Association (SGA).

Some topics presented at this TTT Workshop will include:

- Providing Feedback
- Evidence Based Medicine
- Teaching at the Bedside
- Trial Design
- Publications
- Teaching Skills

Application Review

Applications will be reviewed by for adherence to the above criteria and for equal geographical, gender and expertise distribution. Priority will be given to WGO member societies that have paid their dues through 2022 and WGO Training Center Directors that have completed their 2022 WGO Annual Report.
